Organizer: Chinese Taipei Pacific Economic Cooperation Committee (CTPECC)

Time	Agenda
8:30-8:50	Registration
8:50-9:00	Opening Remarks ● Senior Official, Ministry of Foreign Affairs
9:00-9:10	Group Photo
Session 1 9:10-10:15 (25 mins for each speaker)	Session 1: Enhancing Inclusiveness through Digitalization This session explores the strategies and approaches to advance inclusiveness in the Asia-Pacific region. The objective is to empower women and vulnerable groups to participate fairly in the digital economy. The leveraging of innovative and digital tools, as well as enhancing capacity building, can be utilized for this endeavor. Specifically, this session will focus on sharing experiences and best practices in implementing capacity building programs, together with suggesting effective policies and regulations.
9:10-9:15	(*This session is in English) Moderator ● Dr. Chen Ho, Research Fellow, Department of International Affairs, Taiwan Institute of Economic Research / APEC Study Center
9:15-9:40	Speakers ● Ms. Sarah Pinto/Partner, Emerson Collective ● Ms. Audrey Tang, Former Minister of Digital Affairs
9:40-10:05	
10:05-10:15	Q&A
10:15-10:30	Tea Break
Session 2 10:30-11:35 (25 mins for each speaker)	Session 2: Establishing Policies and Regulations to Promote AI Development This session will discuss AI development from the standpoint of scholars and experts. The rapid advancement of AI technology has brought forth benefits but also challenges, such as copyright issues and fake contents. Therefore, governments are cognizant of the need to develop relevant policies and regulatory frameworks to advance AI. Thus this session will consider the most effective policies and regulations to maximize the benefits of AI and minimizing the risks and negative impacts.
10:30 -10:35	(*This session is in Chinese) Moderator ● Dr. Chien-Yi Chang, Chairman, CTPECC & President, Taiwan Institute of Economic Research (TIER)
10:35-11:00	Speakers ● Dr. Chun-Shan Chen, Chairman, Digital Governance Association
11:00 -11:25	● Dr. Pei-Wei Chiang, President, Taiwan Artificial Intelligence Association
11:25-11:35	Q&A
11:35-11:45	Closing Remarks ● Dr. Chien-Yi Chang, Chairman, CTPECC & President, Taiwan Institute of Economic Research (TIER)
